

**E2 MOTO WASH**

**Concentrated cleaner for bikes**  
**Biodegradable**  
**Trigger spray**

**TYPE OF USE**

Powerful biodegradable cleaner and degreaser for the whole motorcycle.  
All surfaces: plastic, synthetic fabrics, paintwork, varnish, metal, ...  
For Motocross races where biodegradable products are especially recommended by the organizers.

**PERFORMANCES**

Deeply cleans and efficiently removes all traces of grease, dust, soil, mosquitoes, brake pad residues, ...  
Dries evenly without leaving traces.  
Leaves a dry anti-corrosion film to protect metallic components.  
Protects paintwork and varnish.  
Biodegradable: MOTUL MOTO WASH is environment friendly. Biodegradable in 28 days at 94% (inherent biodegradability and ultimate biodegradability) according to OCDE 302B method.

**RECOMMENDATIONS**

Spray generously all over the whole motorcycle using the "wide jet" position on the gun.  
Allow to work for a few minutes.  
Rinse thoroughly with water, jet, or steam pressure before the product dries.  
For very dirty parts, repeat the operation using the position "directed jet" on the gun and rub with a sponge or a rag.  
Use a soft cloth to obtain a perfect finish.  
Do not use MOTUL MOTO WASH under direct sun or on hot surfaces.
