

The MOTUL logo is displayed in white, bold, uppercase letters on a red background that curves downwards to the right.

# Wheel Brush

**Special microfibre brush for rims and hubcaps**

**All types of car rims and hubcaps**

## **TYPE OF USE**

MOTUL® Wheel Brush is a microfibre brush for rims and hubcaps. Thanks to its specific ergonomics, it allows a thorough cleaning and a perfect finish of all types of rims and hubcaps in complete safety.

## **PERFORMANCE**

Thanks to its large specific design MOTUL® Wheel Brush is ideal for cleaning rims and hubcaps of all types.

It allows you to wash and thoroughly clean all types of rims and hubcaps safely.

Made of ultra soft fibers MOTUL® Wheel Brush is without risk of scratching for the rim and the hubcap.

To be used with MOTUL® Wheel Clean for optimal results.

## **RECOMMENDATIONS**

Rinse MOTUL® Wheel Brush frequently with clear water during use to eliminate any residues and contamination.

To be used with MOTUL® Wheel Clean for optimal results.

## **SECURITY**

Refer to the MSDS sheet and the information mentioned on the brush.
