

E1 WASH & WAX

Dry cleaner
Cleans and shines up plastic parts and paints
Trigger spray

TYPE OF USE

WASH & WAX is the dry cleaner for your motorcycle.

Thanks to its exclusive formula, WASH & WAX cleans and protects motorcycle bodies without water: fairings, rims, frames, swingarms.

1/ Easy to use, Wash & Wax wipes clean all surfaces in depth without using water or rags: removes mud, dirt and others stains.

2/ Deposits a protective wax film for extended effectiveness. Enhances body shine.

PERFORMANCES

WASH & WAX cleans and shines up all surfaces in depth without using any water:

Removes mud, dirt and others stains.

Easy to use.

Leaves a protective wax film for extended effectiveness.

RECOMMENDATIONS

Spray WASH & WAX directly on the surface to clean.

Scrub with a soft rag clean and dry.
